INTENT LANGUAGE FOR SUB. S.B. 119

It is the intent of the Legislature that by passing **1st Substitute S.B. 119, WORKERS' COMPENSATION INSURANCE RELATED AMENDMENTS**, the Legislatuer does not diminish or otherwise alter any claim that the state may have to the equity of the Workers' Compensaton Fund. The right to make such claims could arise if the Workers' Compensation Fund were to be privatized and may include a claim for brand equity reimbursement. Although the Workers' Compensation Fund does not agree that such claims exist, the Workers' Compensation Fund and its Board of Directors do not believe that **1st Substitute S.B. 119** affects any claim or the right to make a claim that the state may have to the equity of the Workers' Compensation Fund.

MISCELLANEOUS BUSINESS

On motion of Representative Curtis, the House voted to print the following intent language upon the pages of the House Journal.

INTENT LANGUAGE FOR S.J.R. 10

The Legislature intends **S.J.R. 10**, Resolution Amending Revenue and Taxation Provisions of Utah Constitution, to be reorganization, clarification, and simplification of the current provisions of Article XIII of the Utah Constitution. Any differences between the language of **S.J.R. 10** and the language of the current provisions of Article XIII result not from an intent to make substantive changes but from an intent to restate more clearly language that is confusing and to omit language that is redundant, archaic, or superfluous.

The only exception to the intent not to make any substantive changes involves language in current Subsection (6) of Section 11 of Article XIII. That provision states that county boards of equalization are to consist of the "Board of County Commissioners" of the county. For some counties that have adopted an alternate form of government that does not include a county commission, that provision no longer has any meaning. Giving that provision relevance in current times where some counties do and some do not have a county commission form of government requires a minor but substantive change. The new language of **S.J.R. 10** provides that county boards of equalization consist of "elected county officials as provided by statute."

Other than that minor substantive change, the Legislature intends **S.J.R. 10** to make no substantive change to the current provisions of Article XIII. The Legislature does not intend to disturb any case law that has developed interpreting current provisions of Article XIII. With respect to those provisions for which case law has not developed, the Legislature intends **S.J.R. 10** as a restatement of the concepts currently embodied in Article XIII but in more clear, concise, and simplified language.
